

WUE

Western Undergraduate Exchange 2008-2009

What Is WUE?

WUE is the Western Undergraduate Exchange, a program coordinated by the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in Western states may enroll in participating two-year and four-year public college programs at a reduced tuition level: up to 150 percent of the institution's regular resident tuition. In all cases, WUE tuition is considerably less than nonresident tuition.

Which States Participate?

For the academic year 2008-2009, the 20th year of WUE's operation, resident students from the following states may participate, if they meet eligibility requirements:

Alaska	Idaho	Oregon
Arizona	Montana	South Dakota
California	Nevada	Utah
Colorado	New Mexico	Washington
Hawaii	North Dakota	Wyoming

NOTE: Residents of Hawaii are now eligible to enroll in two- and four-year WUE institutions (effective 2008).

Programs Available

Virtually all undergraduate fields are available to WUE students at one or more of the participating colleges and universities. Some institutions have opened their entire curriculum on a space-available or first-come, first-served basis. Others offer only designated programs at the discounted WUE rate.

WUE Online

To learn of the wide array of programs available, consult *WUE Online*, our new searchable database, located at www.wiche.edu/sep/wue. For additional details, follow the links to the receiving institutions' websites.

Eligibility

Many institutions require evidence of academic performance, such as ACT/SAT test scores or high school GPA, or place other conditions on WUE enrollment. Consult your high school counselor or *WUE Online* for details.

Application and Admission

Apply directly to the institution(s) of your choice for admission and WUE tuition status.

Mark prominently on the institution's application form that you seek admission as a WUE student.

Further Information

Further information about specific programs in WUE may be obtained from the admissions office of participating institutions. Information about student eligibility and the operation of the program in any state may be obtained from the state contact offices listed on page four of this handout.
